Djildjit Waabiny

playing fish

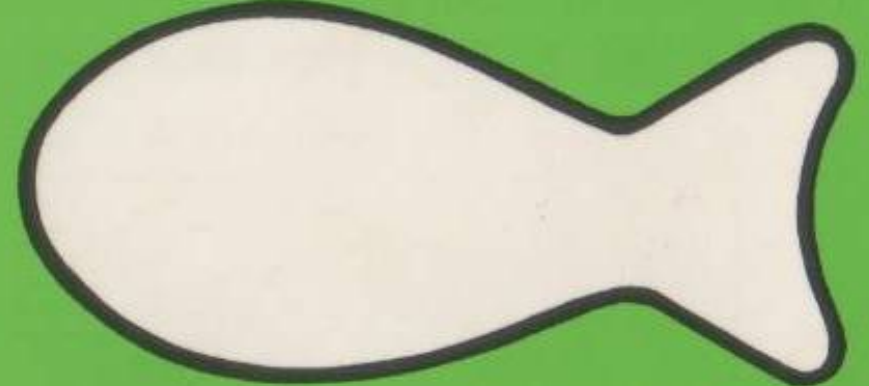

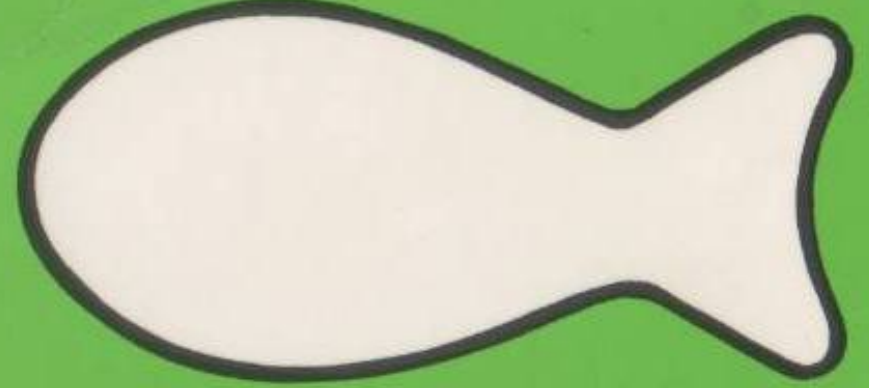

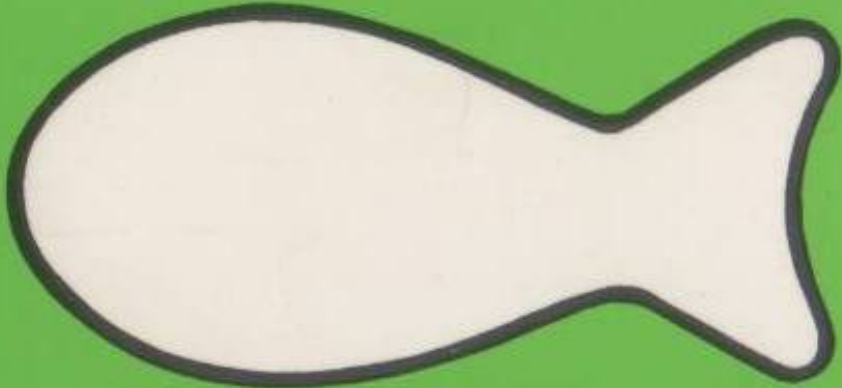

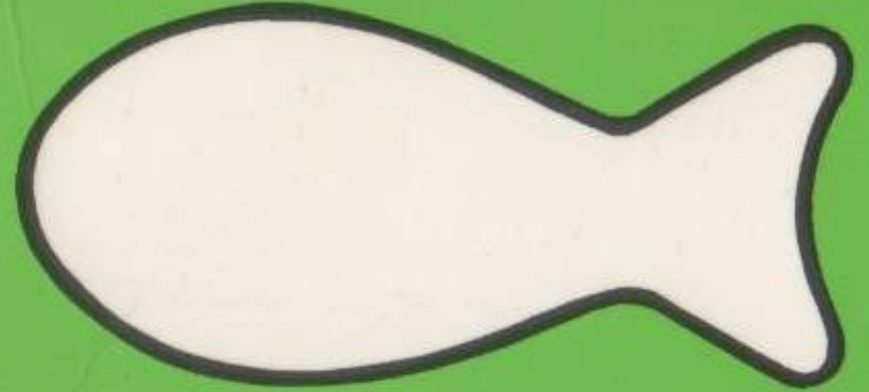

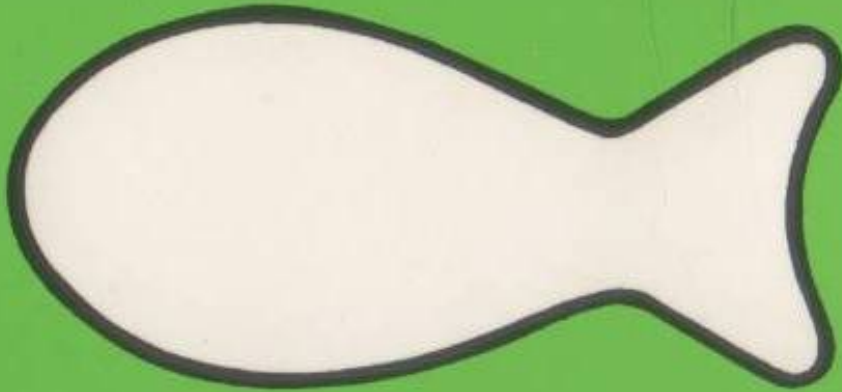

Rules:

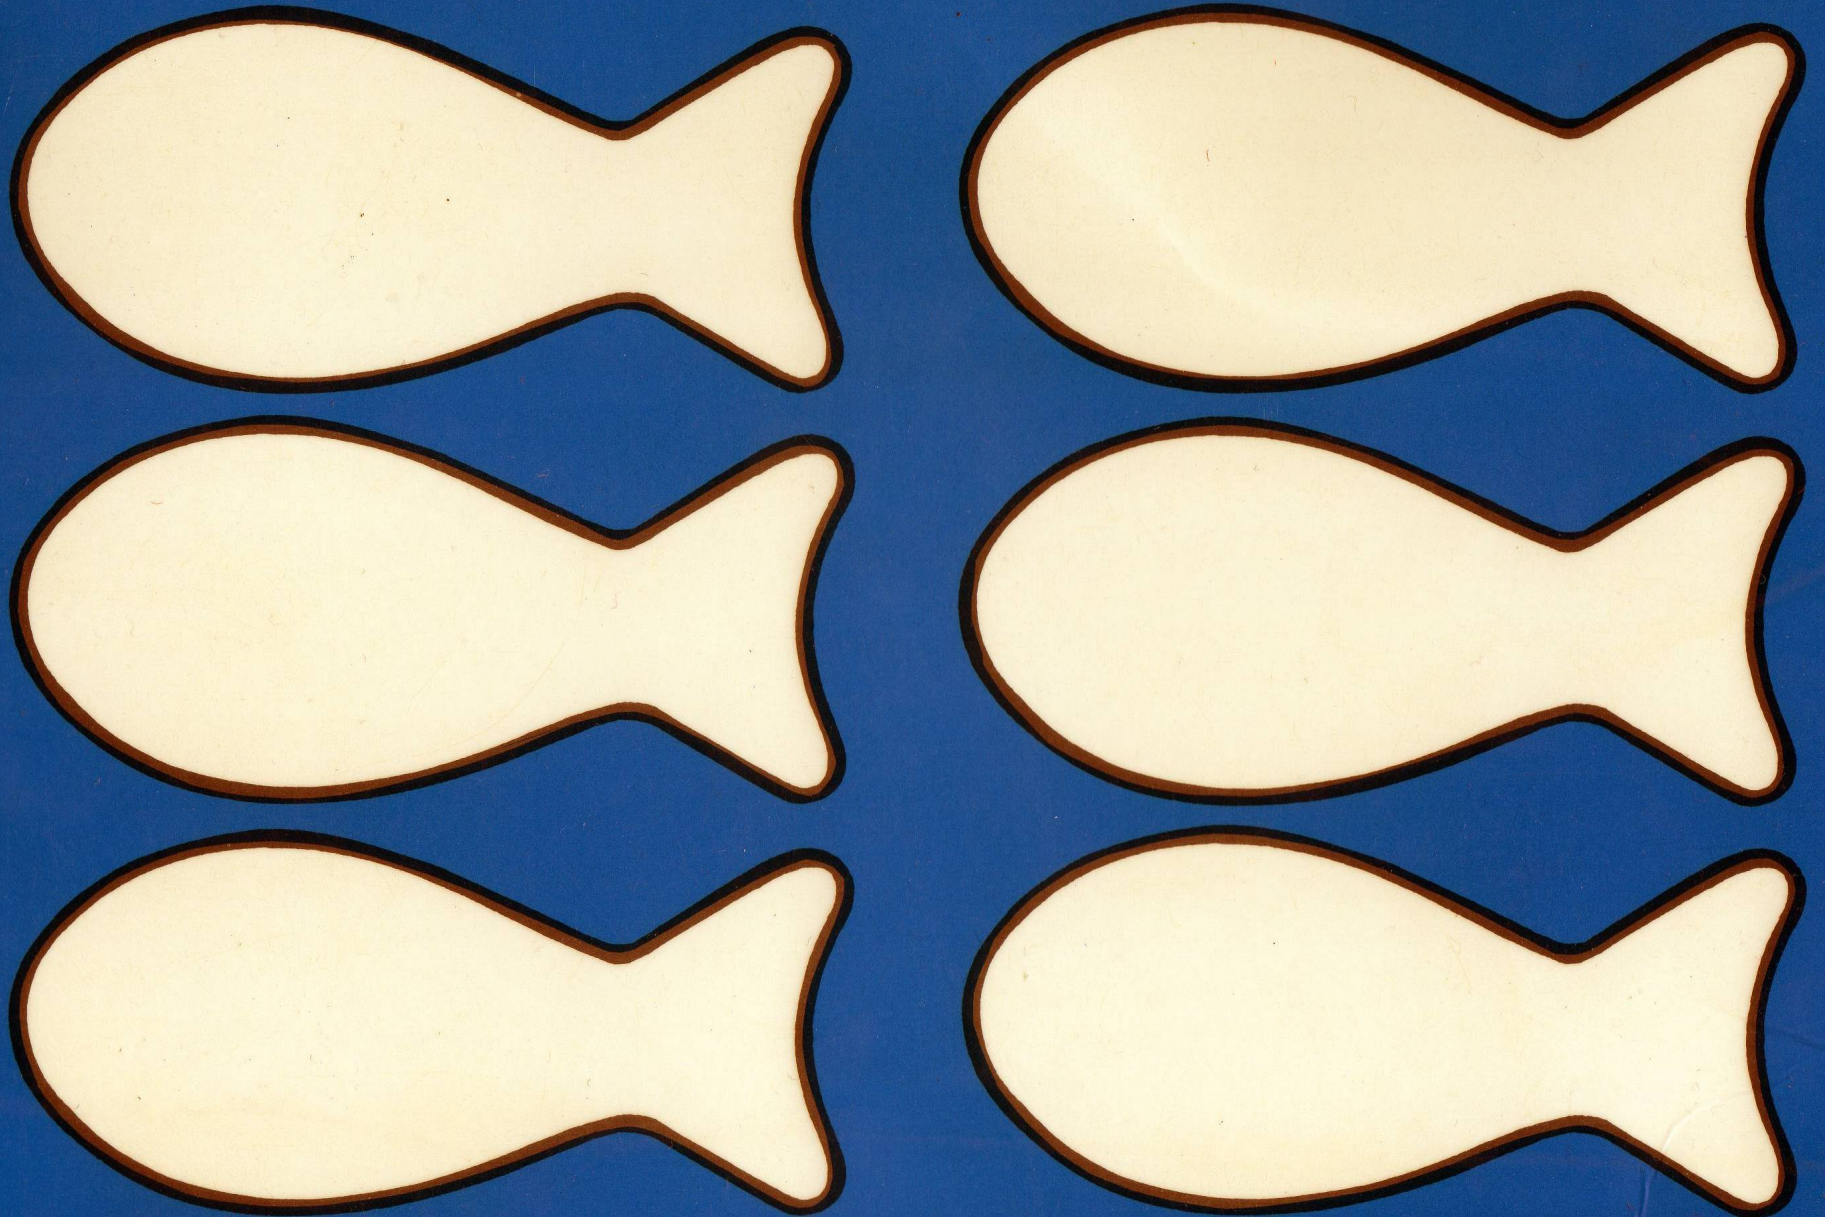

1. You will need 4 players
2. Each player will have a coloured 'djildjit' (fish) card.
3. Cut out all the coloured fish counters.
4. Place the counters on the table with the coloured side down.
5. Mix the fish counters.
6. The 1st player turns over one counter, if it matches the colour of their card they will place it on their fish card.
7. If the counter does not match, turn the counter over and it's then the next player's turn.
8. The first to fill their fish card is the winner.

Have fun!
