1. Learn Basic Noongar

Using a master and apprentice learning framework, this fun and highly interactive training is a 5-week course of 2 hours per week, providing an introduction and cultural emersion experience into the Noongar language. The aim is to develop listening and speaking skills in a safe and supportive environment. All lessons are based on listening and speaking in single words and short phrases with visual aids and actions to help the apprentice to understand what is said. Participants will develop the competency to engage in basic Noongar conversation. Each person who completes the 5 week course will receive a participation certificate. Participants will receive a 'Learn some Noongar' book as part of the course fee.
